Oh, um, hello. I just have a question/glitch to report.

I put a GGaD form in last night, but it still isn't in this morning.

I haven't been able to put long (muliple paragraphs) in and have them come through for at least two days, this being the third.

Thanks!

Eliza

You can't post, whenever you tried to it comes up with a "You have been banned" message, but you can still look at stuff (assuming your account hasn't been deleted). Hopefully, you'll never have to experience it.

So does it have an issue with typos, then? Or just words that weren't spelled right? How about abbreviations, typed emoticons, etc?

The only way you can change your pic is by creating a new account. Only mods can change theirs.
